

Catalogue: **School and Community Furniture**

Category: **Chairs**

Code: **SE31041**

Description:

The Gliss Swing chair is designed to combine the tradition of a rocking chair, with the linearity of contemporary design.

The injection-molded technopolymer shell is fixed on a rod frame, on which the two ash-wood skates are mounted. The technopolymer is available in white or sand.

Seat width 81 cm, depth 82.5 cm
