### Description:

Chair entirely made of 15 mm thick birch plywood. Each part is rounded to guarantee maximum safety; painting carried out with non-toxic paints (it is possible to have the colored chair with colors chosen by the customer). In this product mixes the softness of a little flower carved in the wood, and the strength of a structure ready to face everyday use.

Dimensions: Maternal = 60 (h back) x 35 (h sitting) x 35 (p) Nest = 48 (h back) x 26 (h sitting) x 28 (l) x 28 (p)
