

Catalogue: **Park & Playground Equipments**

Category: **playground accessible to all**

Code: **PE30009-P**

Description:

Seats with full support have chains compliant with the EN1176 standard that meet the relevant requirements for use in non-domestic environments.

The swing seat thanks to its high back supports and support, made of high density polyethylene, resistant to UV rays, is supplied complete with quick release harness and straps that prevent overturning. Designed for children, teenagers and adults with disabilities.
