

Catalogue: **Furniture for Nursery and
Preschool**

Category:

Code: **SZ32024**

Description:

Safety barrier anti-Covid standard from the ground.
Self-assembling structure assembled in white Ø 50
PVC tube and 3 mm thick compact polycarbonate or
0.5 mm thick soft PVC, fireproof.

Proposed in the size 200 x h 100 cm, it can be
developed ad hoc and made to measure for offices,
shops, production sites and environments that need a
protective screen that is easy to sanitize.
