Catalogue: **Urban Furniture**
Category: **Wooden Benches**
Code: **PE02364**
Types of school: **materna, adulto**

Description:

Outdoor benches, completely in wood, structure, supports and reinforcements are made with 12 x 4.5 section profiles, the planks are planed on 4 sides and rounded at the head.

Realizable on drawing to surround trees, delimit spaces or follow shaped paths according to drawing. All our woods are made of Nordic pine with ecological pressure impregnation that allows optimal and lasting protection of the wood outside. Annual maintenance recommended.
